## **Dog Emergency or Travel Kit**

- travel bag with dog's name on luggage tag
- paper work ( Include your name and contact numbers (but not your address) along with the name, address, phone number and office hours of her vet. Have a copy of her recent vaccinations (updated yearly for your emergency kit).
- photo and microchip service contact number
- 2 copies of medicine time table
- stainless steel food and water bowls
- airtight container for dry food, with scoop
- canned food
- can opener (if needed)
- water (this would be for the emergency kit and would need to be changed out yearly)
- family blanket
- towel
- dog bed (not needed for emergency kit if too large)
- dog toy
- grooming kit (if extended stay)
- special sweaters if needed
- treats
